# Oil Drops to \$50: What is the Impact on Asian Economies?

Thursday, February 5th 2015, 12:30 - 2:00 pm  
UBC C.K. Choi Building, 1855 West Mall, Room 120

We are looking forward to a stimulating discussion on the cross-disciplinary topic of the falling oil prices and how it will effect the economies of Asia in particular, and the entire globe in general.

IAR Asia Pacific Forum is a student-led initiative operating out of the Institute of Asian Research, University of British Columbia. The panel discussions take place on a bi-monthly basis.

Tea and light lunch will be served
