IAR Fellows Program Application
2022/23

Please complete this form and return it to *iar.sppga@ubc.ca*

Biographical Information

Name:

Home Department:

Degree: MA PhD

Year of Expected Graduation:

Centre Affiliation

With which regional centre/program would you like primary affiliation? Please indicate here

Please briefly describe relevant experience you might have with the associated region (or its diaspora), including previous research, fieldwork, and language skills (note that these are not requirements). Please also note if you have experience or indirect ties (for example, through a research supervisor) to any of the centres (max 200 words):

Research Agenda

Please briefly describe your motivations for applying to the IAR Fellows program. We envision IAR and its centres as a forum for collaborative work and joint exploration of issues relevant to contemporary Asia and its diaspora, rather than as only a workspace for completing individual projects in isolation. As such, we welcome you to describe what you seek to learn from and contribute to broad discussions on your country/region of interest. We also welcome you to affirm your intention to actively participate in the IAR community's activities (max 250 words):

In simple and accessible language, please briefly describe your research (or policy/global affairs) interests (max 250 words):

What would you intend to focus on during your term as a Fellow? This can include formal research, as well as engagement with stakeholders and community (max 250 words):
